

Nidhi Biswas (501118460) Lab05

Checklist for lab05:

My submission includes (Mark with an X if the the point is met):

[X] 1. The name of my html file is lab05.html

[X] 2. The URL for my page is cs.ryerson.ca/~<MYuserID>/lab05.html

[X] 3. I am using only HTML, CSS, JS, JQ and Bootstrap

For Problem 1:

[X] 4. I created a simple game based on Mr. Potato head with the parts: body, eyes, nose, mouth and hat.

[X] 5. I used buttons, drag/drop, etc. to build the character.

[X] 6. I used clip art from the web or drew my own.

[X] 7. I created a button to save my creation into an image file (formats png, jpg or gif).

For Problem 2:

[X] 9. I wrote a function that when I hover over an image the size of the image becomes full screen (Had the image size increase slowly as an animation).

[X]10. I Included an icon in the full screen image so when clicked it, the image reverts to its original size and position.

[X]12. I SUBMITTED before November 5, 2022 at 11:59 PM at 11:59 PM (special access)
