

Checklist for lab10 Nidhi Biswas :

My submission includes (Mark with an X if I met the point):

[X] 1. I included my URLs as a comment in D2L (lab10[abc].[html/asp/xxx])

[X] 2. I have submitted this checklist filled out

Problem 1 (2p)

[X] 3. I can visit my URL for lab10a.asp

[X] 4. The background colour shows after calling the query string

[X] 5. I used cookies to display date/time of last visit and to display if it is first visit or not

Problem 2 (3p)

[X] 6. I can enter information in the form (lab10b.html)

[X] 7. I generated the first button using Ruby. Text is capitalized and image is full width

[X] 8. I generated the second button using Python. Text is centered and uppercase. Image is 80% width with border

Problem 3. (5p)

[X] 9. I installed a framework and built a page (lab10c.xxx)

[X] 10. I discussed framework installation, how I built the page and challenges encountered - I included this discussion on this web page

[X] 11. I SUBMITTED before **December 6, 2022 at 11:59 PM.**
